Dear Parent

Medical Form

It is important that each year we update our medical records to ensure the information we hold regarding medical needs for the children is current and up to date.

I would therefore be grateful if you could complete and return the form overleaf, even if you believe nothing has changed since you completed the last one, and return it to the school office by Monday 3rd October.

We would encourage you to include on the form any medical concern you may have, no matter how small.

Many thanks.

Yours sincerely

Mrs Finnegan
