Dear Parents

Photographs – Thursday 16th September

Following your feedback on the success of school photographs last year, we have invited Next Gen Photography to come back in on 16th September for this year's annual school photographs.

All children who are at Wanborough Primary School will have an individual photograph taken on that day.

If you would like your child(ren) photographed with other siblings who **will not** be in school on the day, such as children attending playgroup etc., please bring all your children to the school hall at 8.30am. We will ensure that school age children are registered should delays occur.

We can arrange for family members in different classes to be photographed together. **Please complete the slip below by Friday 10th September** and return it to the school office. These photographs will be taken during the school day.

A proof of the photos will be sent home in the next few weeks, but please do not feel you must purchase copies.

Yours sincerely

Mr Drury
Headteacher

I would like my children to be photographed together:
