Dear Parent

Report Cards

In order to keep you more regularly informed of your child's level and targets we have decided to implement a termly report card, the first of which will be given to you at Parents Evening this week.

The report card will show your child's current level along with a grade for effort. The report card will also show your child's target level, together with specific targets for Reading, Writing and Maths.

For children in Year 1 there will only be a target level indicated in the first report card, and future reports will include a level for current attainment. This is due to our transition in Term 1 from the Early Years Foundation Stage (EYFS) to the National Curriculum.

All levels and targets are shared and discussed with each child, and you will have the opportunity to discuss your child's report card at your meeting this week.

If you have any other queries in the future please speak to your child's teacher.

We hope you find these report cards very informative and we hope it enables you to support your child in achieving their targets.

Yours sincerely

Andrew Drury
Headteacher
