Dear Parents

As you know, a key ingredient in a successful school is its staff, especially those who work in the office, who keep us all (particularly me) informed and on track. It is therefore with regret that I inform you that Mrs Tilley will be leaving us at the end of next week. Everyone at Wanborough Primary School would like to say a big thank you to Mrs Tilley for all her hard work over the last 2+ years. I'm sure you, like the staff and children, have found her welcoming smile and friendly personality reassuring when making enquiries or visiting the school. We wish her every success in her new venture and hope she will take away some fond memories from Wanborough with her.

In the meantime, we will be trying hard to replace Mrs Tilley to ensure that school life continues to progress smoothly.

Lost Lunchbox

A brand new 'Smurf the Movie' lunchbox has gone missing from school. If you happen to notice it anywhere, or if you think your child may have brought it home by mistake, please return it to the school office so we can reunite it with its owner.

School Jumpers

We have a parent who has 3 brand new, never been worn, school sweat-shirts that she would be prepared to sell on at a discounted price (age 7-8). If you are interested please contact the school office for more details.

Dropping off Children

Thank you to everyone for your cooperation with the new arrangements for dropping off your children in the morning. Our next step in our attempt to improve even further on the safe and prompt arrival of children to school in the morning is to remind KS1 and 2 parents that school starts at **8.30am** so please ensure your child is here on time. Also, whilst we don't want to discourage parents from the school grounds, we would encourage all KS2 (and even Year 2) parents to drop their children at the gates in the morning. Children are supervised on the playground at all times from 8.20am so there really is no need for parents to wait until their child enters the school building. Thanks again for your cooperation.

Vacancies

We currently have a vacancy for an MDSA (Mid-day Supervisor) to work between 11.45am—1pm. Main duties will include: setting up and clearing away of dining hall furnishings; supervising children during lunch-time and in the playground; and referring issues requiring first aid to a nominated first aider.

We would also like to recruit someone who would be responsible for the securing of the school site following lettings in an evening. We would envisage this being approx. 3 hours per week (hours and times will be flexible).

If you are interested in finding out more about either of these vacancies please contact the school office on 790269.

All successful applicants would be subject to an Enhanced Criminal Records Bureau Disclosure.
